- Member, CTAA since 2001
- Co-author of 6 papers (presenter of 2)
- Winner of the Elaine Thompson Award in 2013
- C.E.T. Member, Ontario Association of Certified Engineering Technician and Technologists since 2002

REASONS I WANT TO BE A DIRECTOR

I have benefited greatly from the Association and hope to reciprocate this benefit to others and future members. I have had the opportunities to present a number of papers at CTAA and while on the CUPGA committee and the Board of Directors for CTAA, I have come to appreciate the vast knowledge of our CTAA members. I would like the opportunity to continue to serve on the board in order to contribute my own perspective and ideas and have the association evolve to the next level.
