

## Tentative Accompanying Persons Program – CTAA 2022

### Monday Nov 7, 2022

We will enjoy a foodie walking tour of the Cultural District of downtown Kelowna. We will view the downtown area and stop at 5-6 delectable taste/drink visits at local eateries. We will meet the local Chef's, Owners and Managers who will explain the local fare.

In the afternoon we will be entertained by Percaval & Young Cheese Mongers as we partake in a cheese tasting of fine cheeses from around the world. We may even imbibe in the local drink known to accompany cheese tasting so well.

### Tuesday Nov 8, 2022

Today we will undertake to experience the art of color Drop Design – the beautiful ancient art of water marbling to create our very own silk scarves. The 'workshop' will be hosted at one of the local wineries where we will enjoy a glass of wine with the activity.

Afterwards, we will move a short way down the road to another award winning Okanagan winery, Quails Gate, to sip some wine while enjoying spectacular views of Okanagan Lake. And then we will enjoy lunch.

We will make a short shopping stop on our return to explore the eclectic collection available at the local Bylands Garden Market. We will join our partners in the evening for the CTAA annual banquet.

### Wednesday Nov 9, 2022

This morning we will enjoy a private Boutique experience at Del Lago Ladies Appaeral and enjoy a couple hours to check out the latest fashion trends before returning to the Conference Venue to join in the CTAA Luncheon.

Looking forward to welcoming you to Kelowna!
